FILING OF AN INFORMATION DISCLOSURE STATEMENT  
UNDER 37 C.F.R. §1.97(b) AND 37 C.F.R. §1.114(c)

The attached list of citations on PTO Form 1449 is being submitted under the provisions of 37 CFR §1.56 and §1.97 for consideration by the United States Patent and Trademark Office prior to the granting of this patent. Their inclusion herein should not, however, be construed as an admission that any particular cited document is effective prior art or that it discloses or renders obvious any aspect of the claimed invention. A copy of each cited document is enclosed, except for those documents which are already part of the filewrapper. This statement is being filed within the time period specified in 37 CFR §1.97(b). No fee is required.

This application was allowed at the time of filing an RCE concurrent with this IDS. A review of documents cited during the prosecution of foreign applications corresponding to the subject United States application was conducted. This Information Disclosure Statement contains the documents, including an opposition statement, cited during the prosecution of foreign applications that correspond to the subject United States application that are not already part of the filewrapper. In citing these documents applicants note the following.

Serial No.: 10/024,858
